Que.5

Read the following paragraph and answer the questions given below.

(14)

No doubt, in ancient times woman had freedom. She was a breeding or a show piece in every house. She had no right to speak against the evils of the society. But nowadays the woman has elevated herself to a heroic status and here is a piece of advice for women. First, they must work hard and forget that they are women while pursuing their career goals. They must not ask for privileges. They must be adaptable, flexible and committed in their attitude. Secondly, women tend to be emotional. They should not allow emotions to hamper their career path. The climate today is very conducive for women to work or to become entrepreneurs. They must be strong headed and focused in their work to take advantage of the favourable scenario. Thirdly, it seems women are born with management skills because they manage families and homes. They can put up any show and produce results. They should demand their due rights and take their positions in business and industry without the slightest hesitation.

Questions:

- 1) Write down the condition and status of woman in ancient times.
- 2) What do you understand by the term breeding machine?
- 3) Write down a few cautions for woman to continue their progress.
- 4) What demands can a woman raise?
- 5) Write down at least one important drawback of women in general.
- 6) What do women not ask for?
- 7) Give a suitable title to the above paragraph.
