## **FROM THE DESK OF THE VICE CHANCELLOR**

**Prof. (Dr.) Chetan N. Trivedi**

**Vice Chancellor, BKNMU, Junagadh, Gujarat.**

At the outset, I compliment all the Professors, Researchers, Students and staff of this University for contributing their best to have an unique identity of the newly established Bhakta Kavi Narsinh Mehta University.

Your remarkable contribution will be real service to the society and nation. India is considered as a country of youth and youth can do wonders. Be sure about your vision, mission in life and determine your own rules for staying positive and joyous. I have faith in you all that this newly growing up University will give new heights for the future of the students. For this, I believe that to prove best, cultivate the habits of discipline and tolerance which will result into perfectness and purity in the work thereby standard of education will improve.

The Gujarat Common Admission Services Portal (GCAS) has been developed at the state level of Gujarat with an aim to complete the admission process at the graduate level in a fully online manner with excellence and quality standards transparently. Students have to register online and fill the form on this portal. Help Centers have also been set up for document verification in government and aided colleges and for redressal of difficulties arising during admissions so that the students get continuous guidance.

I congratulate all the students who passed the class-12th examination and welcome the students

who are eager for admission in the colleges affiliated to Bhakta kavi Narsinh Mehta University. Wish you all the best for shaping your future through studies, strengthening the spirit of nation.

The learning at our university is not confined to academics. Enormous importance is given to cultural, sports, research, extension, innovation activities and social services. We have learnt from the experiences that hard work and progressive for the opportunity, create it. One must take calculative risks in their life. If you win, you can lead. If you lose, you can guide. When the intellect is lost, you get destroyed. Excellence is inherent in every human being. All you have to do is get yourself out of the way- your desire, selfishness, ego and petty mindedness. I also appeal to all the students to concentrate on your mission which is a vital link in success. The calm mind is the essential tool for success, yet all are in varying degrees of mental agitation. The teamwork is a necessary ingredient of success. You cannot achieve anything by yourself, however talented you may be. Do not look upon your colleagues as opponents, they are partners and collaborators. I hope, my students' community will keep all these in mind to have a grand success and achievement. With this, May all the blessings from the Saint Narsinh Mehta shower on us and to enrich our pious thoughts of knowledge and wisdom for the benefit of the society.
