ADMISSION PROSPECTUS

Academic Year 2025-2026

MESSAGE FROM THE VICE-CHANCELLOR

Season's Greetings!

Institutions of higher learning are vital for any progressive society. Universities historically exist as institutions for the creation and dispersion of knowledge. But today, many young people enter university solely to prepare for careers. Higher education provides high-skill and high-wage jobs on condition that the youth have to complete the program sincerely. Many a times, it occurs that students enter the university but fail to complete their degrees. This should be improved. And for that, we need to ensure young people are well informed about their course selection and are supported to complete their degrees.

Bhakta Kavi Narsinh Mehta University came into existence in 2015 by the provision of visionary Government of Gujarat. The University is named after the great Adi Kavi of Gujarati literature Shree Narsinh Mehta. He is the composer of the soul-stirring 'pad', "*Vaishnava Jana to Tene Kahiye je...*", which describes the qualities of good morals and devotional attitudes in an individual i.e. - "A Vaishnav sees everything equally, rejects greed and avarice, respects women as he respects his own mother, though his tongue may tire he will utter no untruth, never touches the property of others".

Being the Vice Chancellor of the University, I assure sincere efforts to inculcate such qualities in all the stakeholders and citizens in the region. In a way, Shree Narsinh Mehta taught us to eradicate all the bad habits, poverty, inequality, gender discrimination and religious discriminations to purify one morally and spiritually to live a peaceful long life.

I'm hopeful that all the embellishments imparting Higher Education in the University will obey these noble, social and philosophical aspects with their teaching, learning, evaluation and other promotional activities to build competent individuals who will be the leaders of tomorrow.

I wish the students the best of their time at Bhakta Kavi Narsinh Mehta University. May you all achieve more and contribute as a true citizen of New India.

Prof. (Dr.) A. H. Bapodra

I/c Vice Chancellor

Bhakta Kavi Narsinh Mehta University
